Twice woven little rug

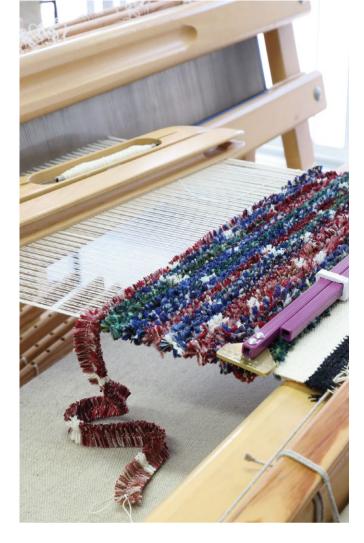

Finished size 40 x 42 cm

Start and finish the rug by weaving á 3 cm hem with doubled unbleached 6-ply cotton twine. Weave the rug with chenille strips and 6-ply cotton twine (single). Throw the chenille strip in the rib weave shed and the cotton twine in plain weave shed.

Weave 4 picks of cotton twine between every Chenille strip pick. Attach the stretcher as soon as possible to prevent narrowing. Make sure that the strip is not twisted. The woven length is 43 cm + hems.

HOW TO WEAVE WITH CHENILLE STRIPS

Start: Tie the warp ends of the chenille strip. Shoot the weft in the shed and turn the tails of the warp threads over the outmost warp end and finish in the shed. Pictures 1. and 2.

End the chenille strip: Unravel the end of the strip to the edge of the fabric. Tie the warp ends of the strip. Turn the tails over the outmost warp end and finish in the shed. Pictures 3 - 5.

Join the chenille strips: Tie together the warp ends of the chenille strips. Cut the tails of the warp threads into same length as the chenille strip tufts. Picture 6.
